

Photographer Checklist

Thank you for downloading the WWW photographer checklist. I have put this together to help you find the most amazing photographer to suit your personality and style. Not everything here is essential. Feel free to edit or print out. Be sure to see the other free planning tools in the footer of the homepage xo Lou

Initial Research

Photographer's Name	Site	Contact Details	Found Them Via...	Availability	Pricing
---------------------	------	-----------------	-------------------	--------------	---------

Photographer Meeting

Photographer's Name	Date of Meeting	Location of Meeting	Pricing/Packages	Style	Connection	Engagement Shoot	Shot Lists
---------------------	-----------------	---------------------	------------------	-------	------------	------------------	------------

Questions

How many hours coverage on the day?
Is there a contract to sign?
Are there any travel expenses?
Do you require a meal + drinks?
Can I submit my wedding to blogs?
What will you wear?
What equipment do you use?
Will you guide us into poses?
Can I provide a list of shots I'd like?
Do you edit the images?
What timescale will the images be ready within?
Will you supply a CD of the images?
Will there be a second photographer?
What happens if you are poorly?
What sort of experience do you have?
Are images in colour or black and white?
What style are the images?
Can I see a whole wedding album?
What if it rains?
